¿CÓMO UTILIZAR ESTA GUÍA?

REFERENCIA DEL DETALLE DE PIEZAS

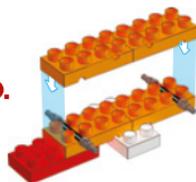

1

Busca las piezas que vas a necesitar según el DETALLE DE PIEZAS.

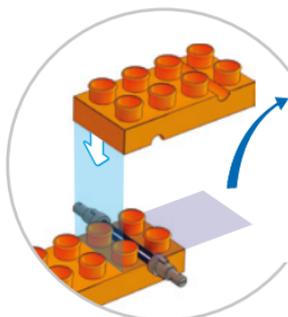

2

Vinculá los Rasti indicados, observando con atención el **ESQUEMA DE POSICIONAMIENTO**.

ESQUEMAS DE POSICIONAMIENTO

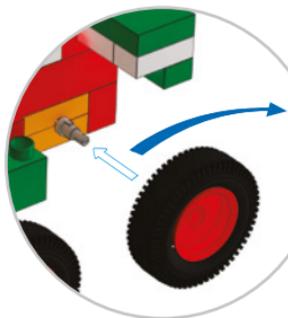

Plano en Voladizo
Representa la ubicación final de la pieza. Ayuda a identificar la parte que quedará en el aire sin encastrar.

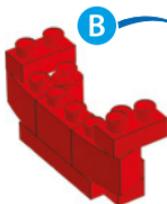

Flecha de Desplazamiento
Simula la dirección de encastre.

Plano de Desplazamiento
Indica el recorrido y la posición final del ladrillo.

Flecha Ejes
Indica el posicionamiento de una pieza en la punta del eje.

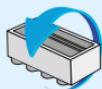

Identificación de Conjuntos Armados
Se utilizan letras para identificar partes del modelo que luego se vincularán entre sí.
